7th November 2023

Dear Parent / Guardian,

We are delighted to be continuing with a new initiative that was introduced a few years ago in our school and are looking for **3 NEW DIGITAL LEADERS FROM PRIMARY 5.**

A Digital Leader is a pupil who is competent in the use of an iPad and a computer. They will become part of a Digital Leaders Team within the school, whose role will be, to support the use and further the development of the iPad and ICT with other children and teachers in the school.

Your child attended the launch of this scheme today in school and if they are interested in applying to be a digital leader, please encourage them to **complete an application form which they all received today.**
Forms can also be downloaded from our school website.

Deadline for completed application forms is **Monday 13th November 2023 at 9am**, with interviews being held in school, that week.
Completed forms are to be returned to Miss Nugent.

Having been assembled through an application process and interview, the 3 chosen Digital Leaders will meet regularly to help staff and pupils in our school to develop specific areas of iPad and ICT expertise.

Good Luck to all who apply!!!

Yours sincerely

Digital Leader Team
Miss Emma Nugent
